Pharmacy Vending Machine

FCV-NLC-ZK(32SP)+14S Pharmacy Vending Locker -32 inch

TECHNICAL OVERVIEW | FCV-NLC-ZK(32SP)+14S

This pharmacy-oriented configuration is a vending locker with individually accessed compartments and a source-listed 32-inch display. Its exact table gives 1933 × 893 × 320 mm dimensions, 280 kg weight and normal-temperature operation. The 14-choice statement identifies selections rather than a universal product-pack count. Gallery material from a separate spring-machine configuration does not establish technical details for this locker. Confirm internal compartment clearance and the supplied controller for the selected products.

Model summary

FCV catalogue reference	FCV-NLC-ZK(32SP)+14S

Configuration and quotation

Specifications reflect the cited source configuration. Optional accessories and alternative configurations are not included as standard unless explicitly identified in the quotation. Confirm payment hardware, power requirements, installation access and service scope for the intended site. No price, stock quantity, delivery date or certification is implied by this overview.

Configuration details to confirm

Optional features, certifications and service terms must be confirmed for the quoted configuration.

Payment providers,software licences,warranty and accessories require the written quotation; supplier examples are not universal FCV inclusions.

Pharmacy locker access and compartments

Actual primary shows individually accessed compartments, not spring storage.

External equipment zone	Documented source layout
Controller	32-inch display stated in exactHTML.
Locker selections	14 choices; internal clearance and packs per compartment not established.
Access	Use assigned compartment;7 drawers is not interpreted as seven motorised trays.

- Match quoted controller and locker arrangement.
- Measure internal opening and accepted pack.
- Use agreed compartment-access flow.

Configuration details

Prepared 27 November 2026 for the FCV product catalogue. Confirm the supplied configuration and site requirements with the FCV team before ordering.

Product information

This FCV technical overview describes the listed equipment configuration. The written quotation confirms the machine, accepted product packs, accessories and service scope supplied for your location.

Confirm before purchase

Ask FCV for the exact model and revision, supplied options, current technical sheet, site suitability, warranty, maintenance scope and written commercial terms. Product images, where present, are conceptual branded renders rather than installation evidence.
