Hot Food Vending Machine

FCV-FFM-8V(V55)+FCV-FFM-ZV(V22) Hot Food Vending Machine - 21.5 inch

TECHNICAL OVERVIEW | FCV-FFM-8V(V55)+FCV-FFM-ZV(V22)

This combined frozen-meal and heating cabinet pairs an advertising area with a separate customer touchscreen. Its exact-model manufacturer brochure explicitly lists a 55-inch advertising screen and a 21.5-inch touchscreen, conveyor storage and a 48-90-box reference capacity. The brochure describes double-drawer delivery, while the parameter image describes lifting with precise delivery. Both give a 1940 × 1780 × 1123 mm cabinet. Their heating ratings differ, so the brochure and parameter schedule are shown separately. Packaging limits also differ and include conflicting minimum and maximum heights; a product-specific test is needed before a meal tray is approved for this configuration.

Model summary

FCV catalogue reference	FCV-FFM-8V(V55)+FCV-FFM-ZV(V22)
Category	Hot Food Vending Machine
Screen	21.5 inch

Published source configurations

These source descriptions are kept separate. They do not establish that every value belongs to one supplied unit; the FCV quotation identifies the accepted configuration.

Configuration 1

Source model: FCV-FFM-8V(V55)+FCV-FFM-ZV(V22) / 1

The brochure feature text rounds the intelligent touchscreen to 22-inch, while its specification table explicitly says21.5-inch. Table diagonal retained. Conflicting package-envelope text withheld.

Dimensions	H 1940 × W 1780 × D 1123 mm
Customer screen	21.5-inch touchscreen
Advertising screen	55-inch advertising screen
Slot type	Conveyor
Capacity	48-90 boxes
Supply	AC 110-120 V / 220-240 V, 50/60 Hz
Heating power	3750 W
Refrigerated power	1800 W
Temperature	−18°C to 25°C

Configuration 2

Source model: FCV-FFM-8V(V55)+FCV-FFM-ZV(V22) / 2

This schedule lists3000 W heating,21.5-inch infrared screen,90 slots and −18°C refrigeration /65-90°C heating. Do not combine these ratings with the brochure.

Size	H:1940mm W:1780mm D:1123mm
Voltage	AC110V~120V/220V~240V 50/60HZ
Heating Power	3000W
Screen	21.5 inch infrared screen
Slots Quantity	90
Capacity	48-90 boxes
Temperature	-18°C(Refrigeration)65-90°C(Heating)
Shipping Method	lifting+ precise delivery
Payment methods	Bill,coin,Cashless payment

Configuration and quotation

Specifications reflect the cited source configuration. Optional accessories and alternative configurations are not included as standard unless explicitly identified in the quotation. Confirm payment hardware, power requirements, installation access and service scope for the intended site. No price, stock quantity, delivery date or certification is implied by this overview.

Configuration details to confirm

Code contains V55 and V22 but spec table only identifies 21.5-inch infrared screen; do not claim 55-inch display from code.

Optional features, certifications and service terms must be confirmed for the quoted configuration.

Meal storage and delivery format

The brochure documents conveyor slots and a 48-90-box reference capacity. The parameter schedule lists90 slots; it does not publish a fixed box quantity per slot.

Storage / equipment zone	Documented source layout
Storage mechanism	Conveyor slot type is explicit in the exact-model brochure.
Published capacity	48-90 boxes; parameter schedule separately lists90 slots.
Delivery format	Brochure describes double-drawer smooth delivery; parameter schedule lists lifting plus precise delivery.

- Select the matching electrical and delivery schedule for the supplied cabinet.
- Provide the actual sealed meal tray for dimensional and delivery testing.
- Agree heating settings and food-handling procedures for the selected products and operating site.

Configuration details

Prepared 27 November 2026 for the FCV product catalogue. Confirm the supplied configuration and site requirements with the FCV team before ordering.

Product information

This FCV technical overview describes the listed equipment configuration. The written quotation confirms the machine, accepted product packs, accessories and service scope supplied for your location.

Confirm before purchase

Ask FCV for the exact model and revision, supplied options, current technical sheet, site suitability, warranty, maintenance scope and written commercial terms. Product images, where present, are conceptual branded renders rather than installation evidence.
