OEM / ODM Vending Machine

FCV-NSC-10C(V22)-DJ Tool Vending Machine with Side Lockers -21.5 inch

TECHNICAL OVERVIEW | FCV-NSC-10C(V22)-DJ

This tool cabinet combines front spring lanes with 64 side locker boxes. Its exact graphic gives 1940 mm height,a width expression of 850+320 mm and 1080 mm depth,340 kg,60W and a 21.5-inch touchscreen. The table describes 60 front choices and a 300-660 piece pack-dependent reference. A promotional panel mentions 10 spring slots without defining counting scope; no per-tray allocation is inferred. Locker collection and spring-lane pickup remain separate flows.

Model summary

FCV catalogue reference	FCV-NSC-10C(V22)-DJ
Category	OEM / ODM Vending Machine
Screen	21.5 inch
Size	H:1940 mm W:850+320 mm D:1080 mm
Weight	340 KGS

Power	60W
Screen	21.5” HD Touch Screen
Slot Type	Spring slot + Lockers
Product	Tool / Toys / Books / Electronic equipment
Refrigeration Temperature	Normal
Front choices	60 as stated in table
Side lockers	64 boxes

Illustrative FCV-branded concept render. Verify the quoted physical configuration.

Configuration and quotation

Specifications reflect the cited source configuration. Optional accessories and alternative configurations are not included as standard unless explicitly identified in the quotation. Confirm payment hardware, power requirements, installation access and service scope for the intended site. No price, stock quantity, delivery date or certification is implied by this overview.

Configuration details to confirm

Optional features, certifications and service terms must be confirmed for the quoted configuration.

Promotional 10 spring slots versus table 60 choices has undefined counting scope; do not infer 10 per layer.

Payment providers,software licences,warranty and accessories require the written quotation; supplier examples are not universal FCV inclusions.

Front tool lanes and 64 side lockers

Different storage/collection systems are shown explicitly.

Storage / equipment zone	Documented source layout
Front	Table describes spring lanes/60 choices; actual pack allocation agreed.
Side	64 boxes explicitly identified in side-locker diagram.
