## Confirm the loading plan

**PACK SIZE**

Measure each blind-box pack. Pusher lanes and the elevator need agreed pack dimensions and weight.

**ELEVATOR FIT**

Confirm the documented vertical/horizontal lift suits the actual packs before allocating rows.

**SHOWCASE**

The display window is presentation only. Plan sellable stock separately from display pieces.

**VEND TEST**

Trial pusher plus elevator delivery to the PUSH flap with the actual packs before sign-off.

Confirm pusher lanes, elevator transfer and collection access. Agree loading, artwork and refill routines.
